67

68

Summary of Findings:

69

70

For item no. 1 - Noveaulab Asia Corp. got the lowest bid but did not comply with the technical specification of the item. Krypton complied with the tech specs.

71

72

(see technical specification evaluation)

73

For item no. 2 - Krypton Industrial Resources, Co. got the lowest bid and complied with the tech specs

74

75

For Item no. 3 - NOVEAULAB Asia Corp. got the lowest bid and complied with the tech specs

76

For Item no. 4 - RainPhil, Inc. got the lowest bid with the technical specification. (see technical specification evaluation).

77

78

For item no. 5 - Only the Krypton Industrial Resources, Co. bid the item and is compliant with the technical specification.

79

80

For item no. 6 - No bid

81

82

E. Comments and Suggestions:

83

84

Dr. Nogodula asked the body for any comments and suggestions. Prof. Rioliza Molina asked Mr. Recto on the clarification when will be these items be verified? Since it now running out of time.

85

86

87

88

Sir Recto (TWG) responded that he consulted this concern to Ma'am Puig regarding the Noveaulab items that did not complied on the prescribed specifications. She also mentioned that the only bidder met the prescribed specifications is Krypton Industrial Resources, Co.

89

90

91

92

93

Dr. Nogodula informed the body, that based on his personal note that the TWG Mr. Recto depends the decision of Ma'am Puig. But he was hesitant of Ma'am Puig statements if it's really strong regarding the Three (3) Bidders, that she goes for Krypton. He was asking what would be the remarks of the BAC members as to their decisions, the fact that it is really needed. Dr. Nogodula asking what will be the next steps to do.

94

95

96

97

98

99

Dr. Alther Rivera also suggested, since we didn't have more time to verify the non-compliant items. He suggested, that they go over to those items that meet with the specifications. He also ask the importance of those items that didn't pass the prescribed specifications.

100

101

102

103

104

The Vice Chair reiterated the statements of Dr. Rivera. He asked how fast the action to be taken since year-end is fast approaching and we have to meet deadline on financial matters.

105

106

107

108

The BAC Chair, Dr. Garcia also in favor, with the statements/observations of Prof. Molina and Dr. Rivera. And he is now asking what items and who's bidder have

109

110 the lowest price. Since it was not clearly presented by the TWG representative. He was
111 asking the TWG for matrix form presentation of the Three Bidders to easily determine
112 the lowest price bidder.

113

114 The BAC Chair suggested to the body to review and check all legal documents
115 related to the project. The presider informed the body that after the Post-qualification
116 evaluation, the BAC will prepare for a Resolution and Notice of Award with Lowest
117 Calculated and Responsive Bid.

118

119 **F. Adjournment:**

120

121 With no further instructions from the BAC and clarifications from the Bidders
122 and there being no other matters to be discussed, the meeting was adjourned at 4:00 p.m.
