

Quality Policy

The University of Southeastern Philippines positions itself as a premier research university in the ASEAN and beyond. To pursue this strategic direction, the University is committed to:

- innovating its curricular programs to make these responsive to emerging trends;
- pursuing impactful research and empowering communities through responsive extension services;
- managing sustainably its human, financial, and physical resources;
- complying with all relevant statutory requirements and accreditation standards; and
- reviewing and continually improving the quality management system, policies, and governance mechanisms.

The University of Southeastern Philippines is a community of scholars that values:

- **C**ollaboration
- **A**ccountability
- **R**esilience
- **E**xcellence
- **S**ervice-Oriented
