Whereas, the ACT for AMIA Project has requested for the cancellation of Item 3 as it has found an alternative way of sourcing out the needed Portable Sound System from within the other unit of the College, particularly the Sports Office, that already has recently bought a similar portable sound system;

Now, therefore, for and in consideration of the results of the above quotations, we, the members of the Bids and Awards Committee of USEP Mintal Campus **resolved as it is hereby resolved**, to declare **Ultrium Corporation** as having the lowest calculated and most responsive bid for the procurement of two units of **Voice Recorder** and three units of 1 TB **Portable Hard Drive** for use of the ACT for AMIA Project, but to award the purchase of an **Outdoor Projector** to **Gakken Philippines Inc.** that has the most responsive bid for the required higher power of 6,500 ansi lumens.

Resolved further, upon the recommendation of the end user, to cancel the planned purchase of a **Portable Sound System** and to source out the said equipment from the newly purchased similar unit from the CDM Sports Office.

Resolved finally that a copy of this BAC resolution shall be furnished to the College Dean /Head or Representative of Procuring Entity for his information and approval.

Done at the USEP Mintal Campus Extension Office on this 30th day of January 2020!
