

AACCUP ACCREDITATION SURVEY VISIT

Level III - Phase 2 | April 12, 2019 | University Social Hall

AACCUP evaluates Education, Engineering undergrad programs

The University of Southeastern Philippines (USEP) welcomed representatives from the Accrediting Agency of Chartered Colleges and Universities in the Philippines (AACCUP) on April 12, 2019 for the Level III, Phase 2 accreditation of three (3) undergraduate programs.

The AACCUP Accreditation Team, led by its President and Overall Coordinator, Dr. Manuel T. Corpus, evaluated the Bachelor of Science in Electronics and Communications Engineering (BSECE) and Bachelor of Science in Electrical Engineering (BSEE) from the College of Engineering (CoE), and Bachelor of Secondary Education (BSEd) from the College of Teacher Education and Technology (CTET).

Dr. Corpus congratulated USEP for a well-packaged presentation of the BSEE, BSECE, and BSEd programs.

"We're off to a good start. We have very good team leaders and accreditors," he said.

Dr. Nenita I. Prado from the AACCUP Accreditation Team also congratulated the University for presenting the commendable accomplishments of each program.

In addition to the accomplishments of each College, USEP presented testimonials of alumni who are now connected with credible international and local companies.

As one of the State Universities and Colleges (SUCs) in the Philippines with the highest number of accredited programs, USEP commits to provide its stakeholders with quality education. To deliver this promise, USEP constantly seeks the guidance and expertise of the AACCUP.

USEP President, Dr. Lourdes C. Generalao, together with the University Vice Presidents and members of the USEP Accreditation Team, graced the Opening Program of the Accreditation Visit.
